nice person.
Hope you have fun.
Always Good luck always
Liz Ciszewski

Sharon,

To a person I have know for a very long, long, long time, and to just think this is the last year we ~~s~~will go to school together. But I hope you will always remember the good times we had and the good times we will have like in Biology II we should have alot of fun. Also when we graduate boy will that be fun!! I'll miss seeing you every day when I go to Colledge but best wishes always will have to keep in touch after we graduate & go out drinking one night wish me luck on getting a job.

I hope their is a bright future ahead for us both. See ya around.

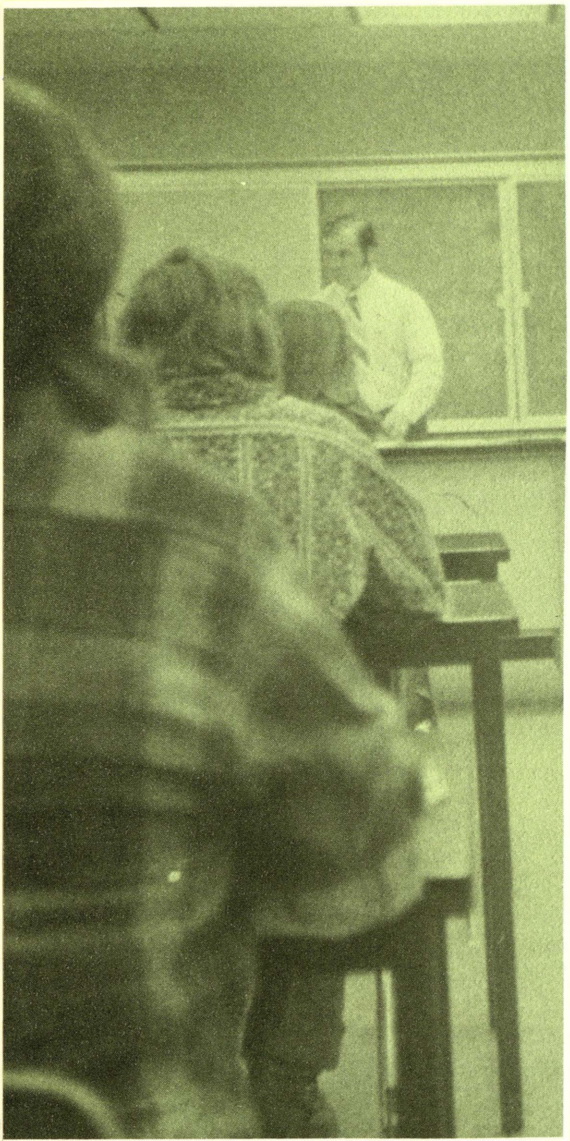
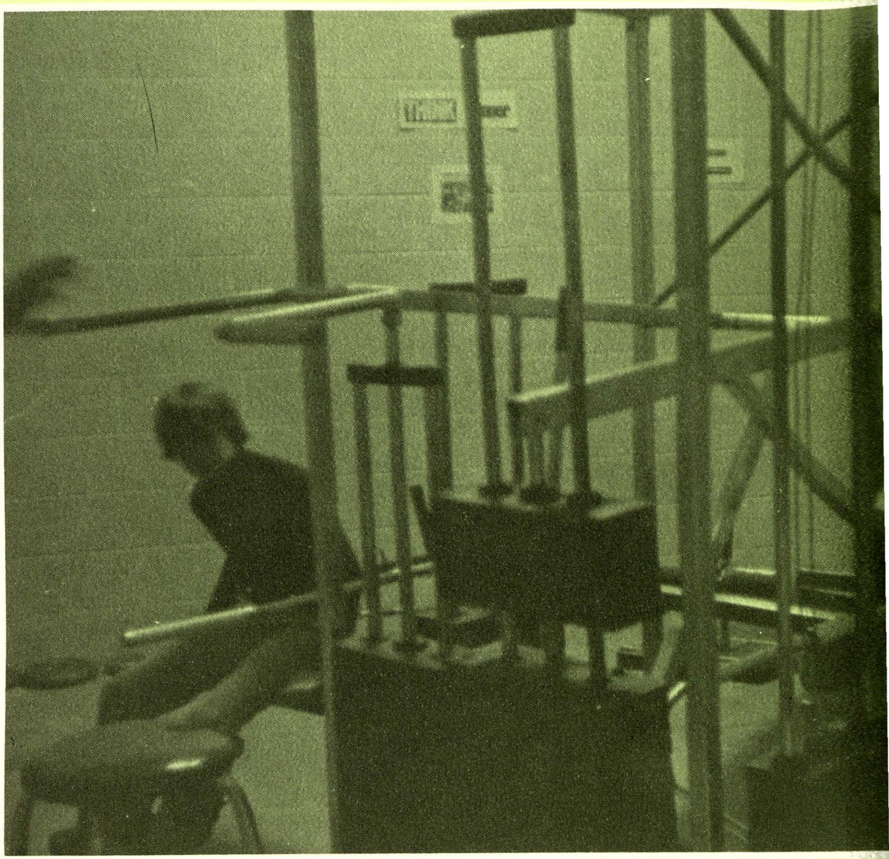
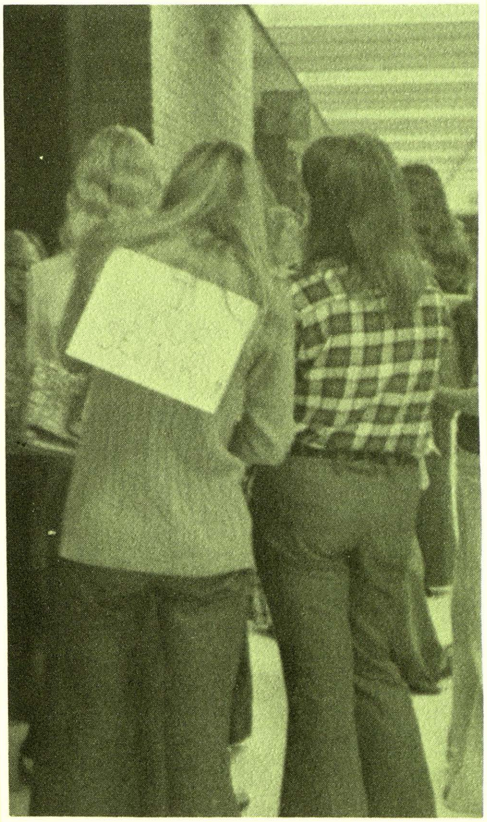
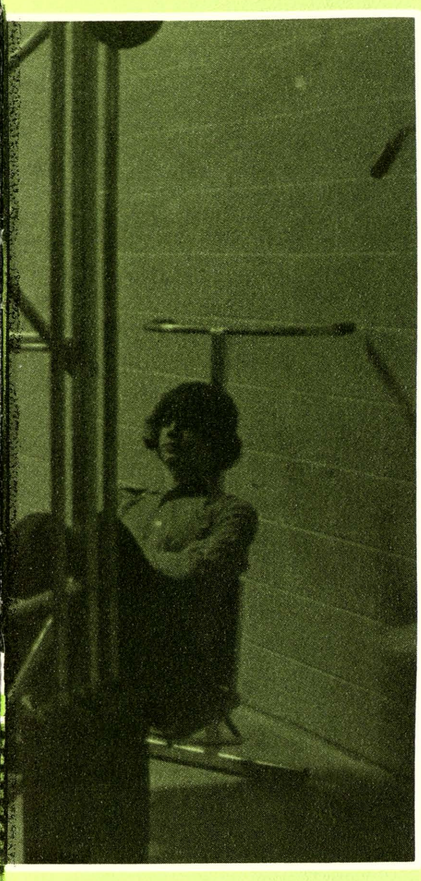
COUNT DOWN...

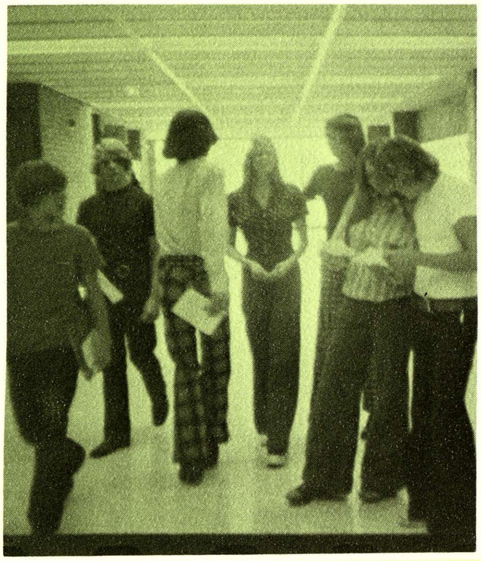
Public Libraries of Saginaw
Hoyt Main Library
505 Janes St.
Saginaw, MI 48607



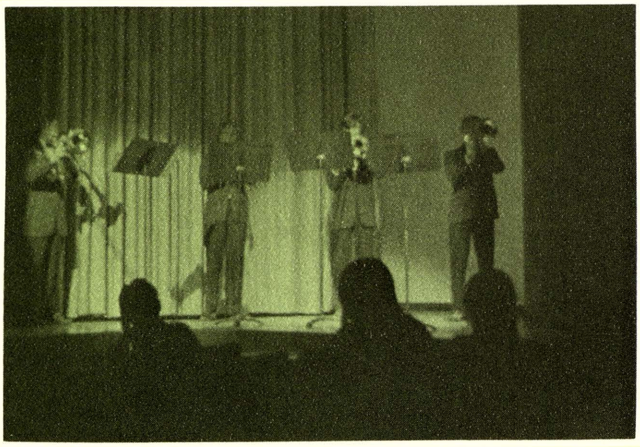




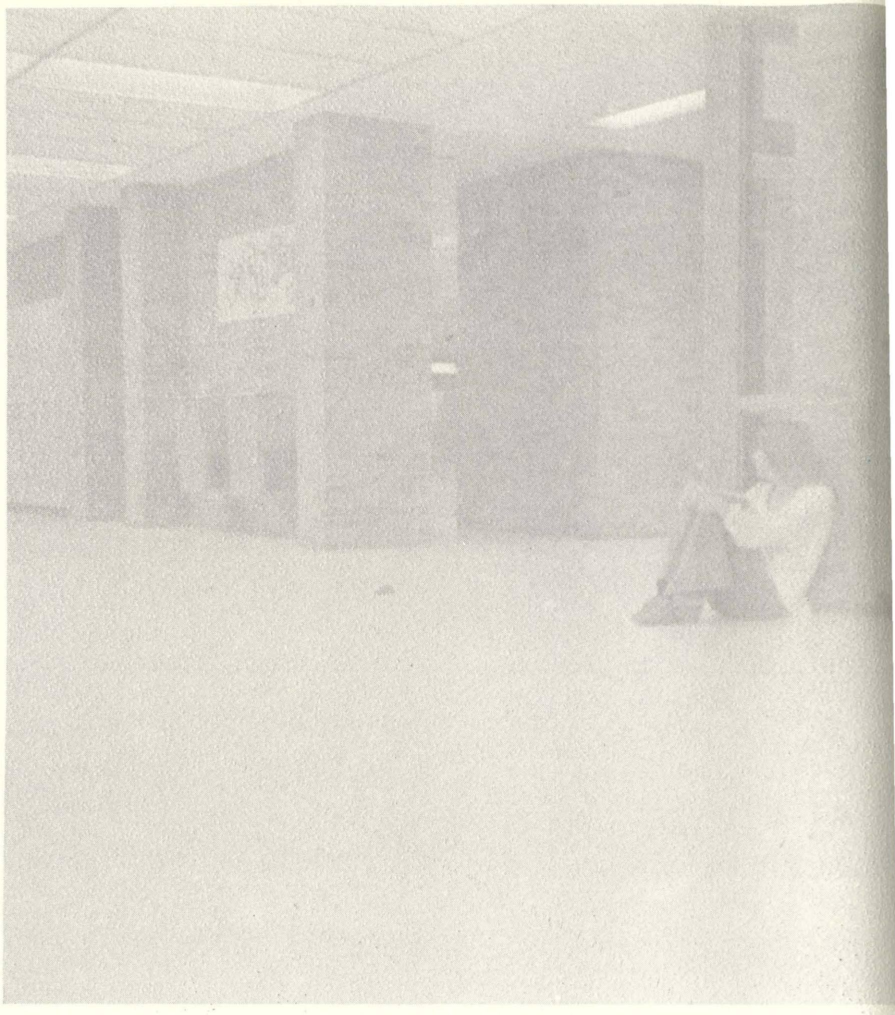


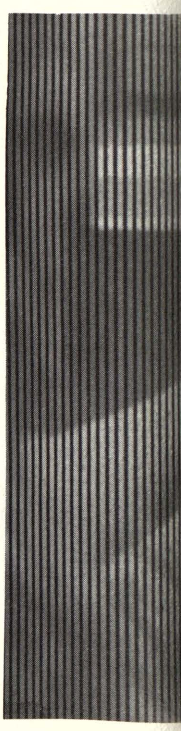


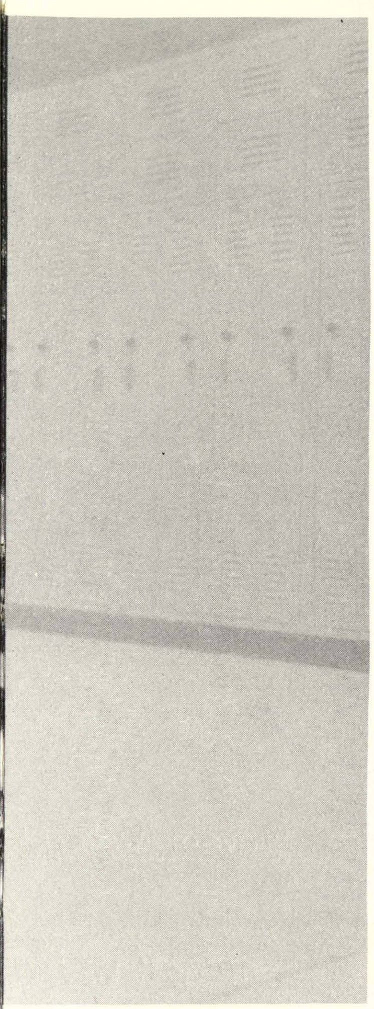
From the moment you enter it, high school is one big long countdown...

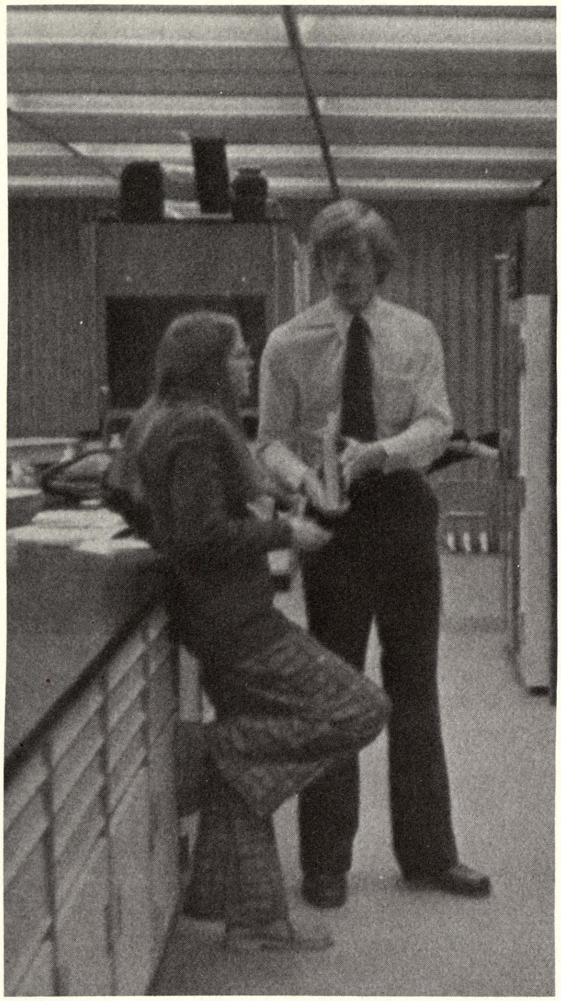


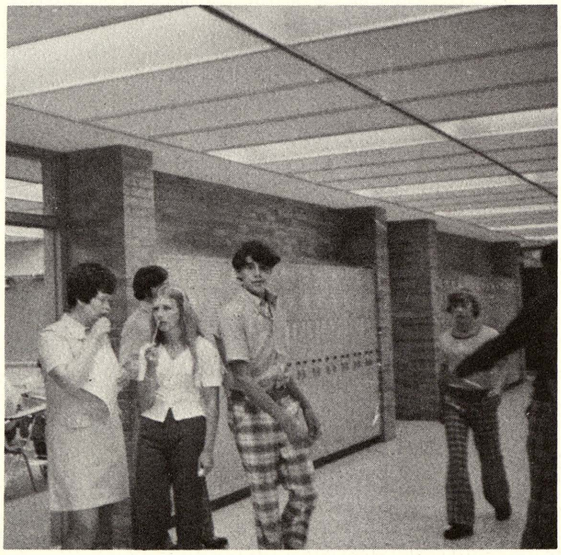
COUNTDOWN...

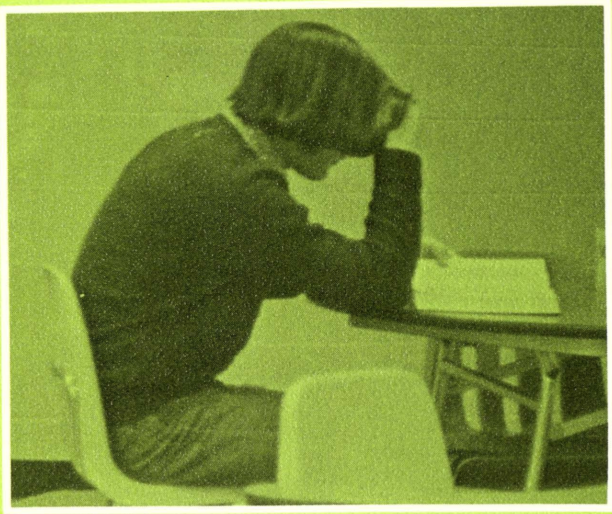


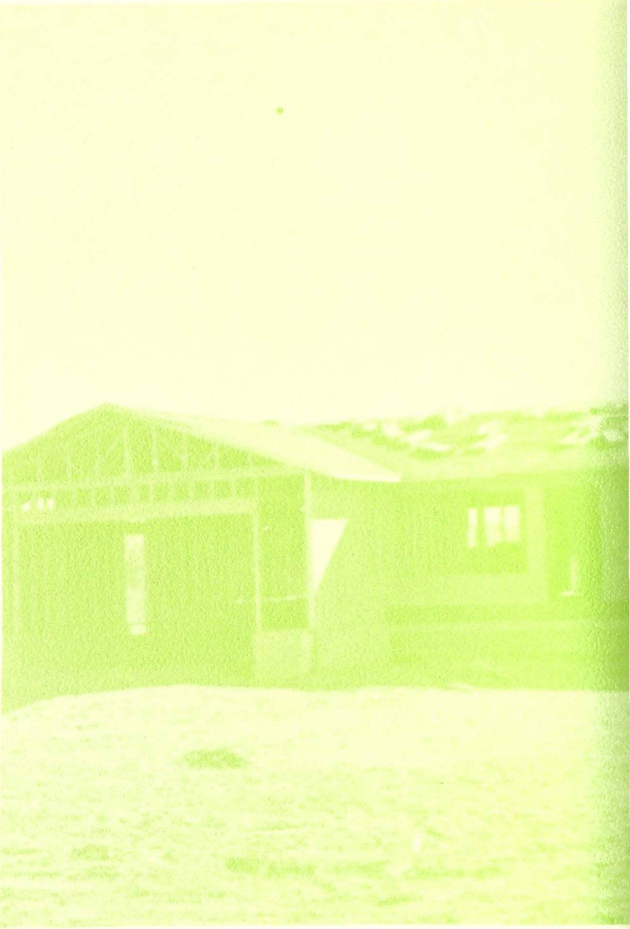


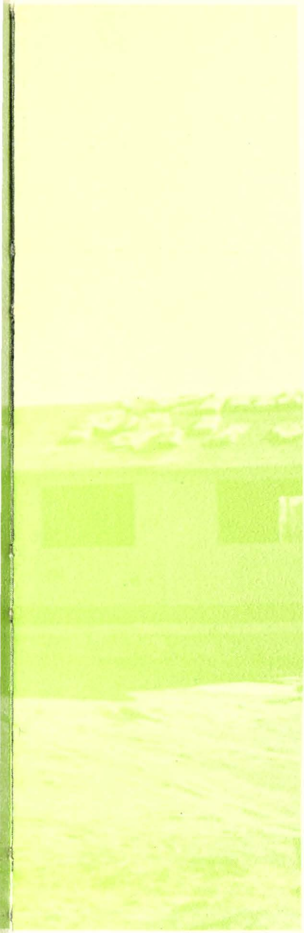












Count the number of tests that you just barely passed. Count the times you've been able to pull something over on a teacher and got away with it. Count the times that you wished you would've listened a little harder in class. Count the times you thought you'd never make it through the class, much less the year. Count it down!

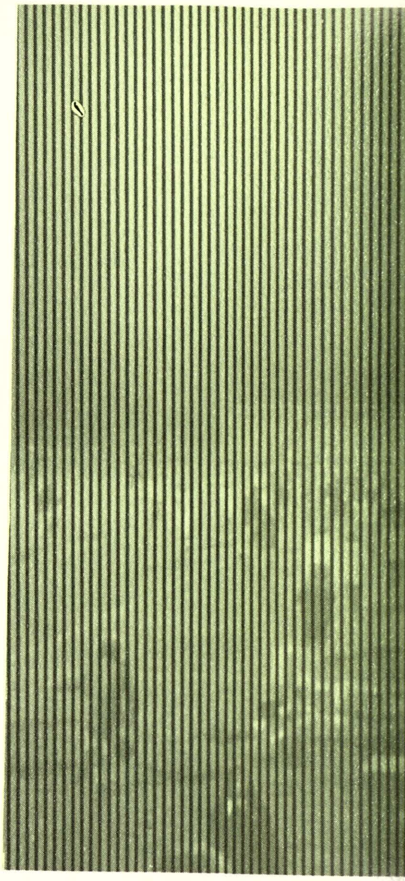
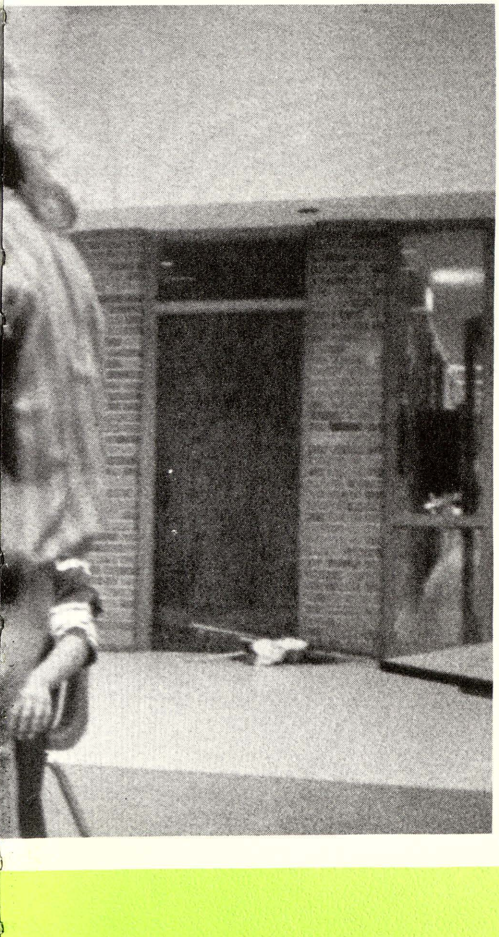
As Freshman, count the number of required classes you're stuck with.
As Sophomores, count the number of study halls you signed up for, but never received.
As Juniors, count the number of required courses you cram into one year to make way for your senior year.
As Seniors, count the seconds of each class till you're finally out.





COUNTDOWN...

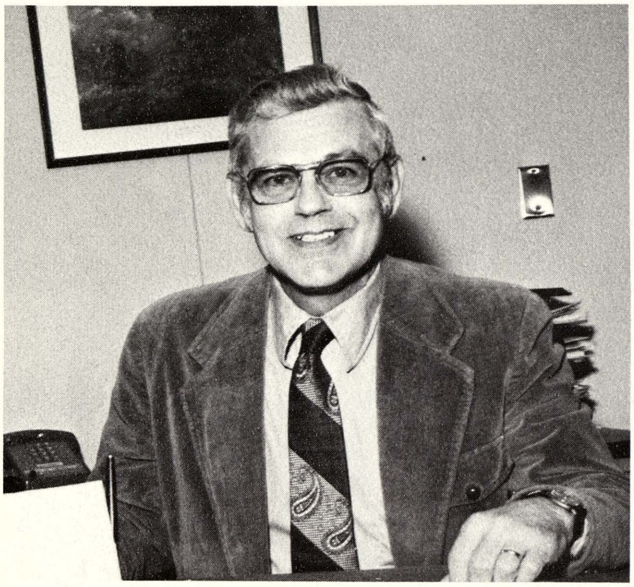
ADMINISTRATION



MR. ALVIN THOM
Superintendent

MR. MARVIN JOHNSON
Assistant Superintendent

Congratulations, Class of 1974. I hope you have enjoyed your years spent in the Swan Valley School District. May you have continued success in the future.

Mr. Johnson

ADMINISTRATION OFFICE STAFF: Mrs. J. Perry, Mrs. R. Steffen, Mrs. E. Hart, Mrs. V. Neal.

HIGH SCHOOL ADMINISTRATION

MR. JOHN CUTHBERTSON
Principal

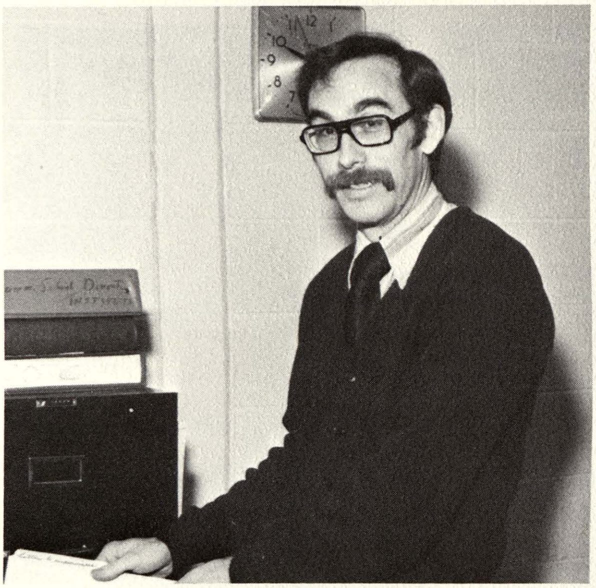
The students of Swan Valley High School are, by far, a great bunch of All-American young adults. I'm already looking forward to next year.

Mr. "C"

MISS RUTH EDERER
Assistant Principal

Swan Valley has made a lot of history in the past three years---I've enjoyed being on the scene.

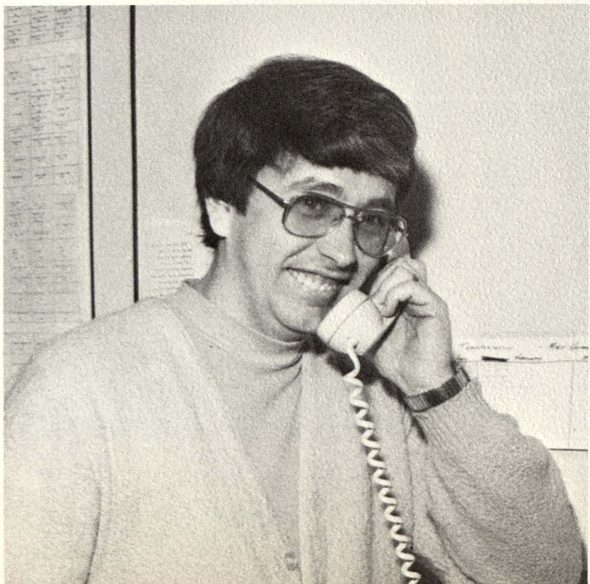
Miss Ederer



MR. JAMES SLICK
Community Education Director

A cooperative program has been started for seniors taking vocational courses. Community Education has started in the areas of high school completion, adult enrichment, and senior citizen involvement. Career Education is being explored and pushed. Career Education is one way to make school more meaningful.

Mr. Slick



MR. MIKE HUMPHREY
Athletic Director

I feel our athletes have done a fine job this year. Many of the boys have come a long way in the last year. We are going to miss our seniors, but we hope this years' seniors can carry on the tradition that the first graduating class has started.

Our girls' athletic program has started on a good level. The girls are experiencing their first competition and are holding up really well. Their continued improvement could help Swan Valley win the League All-Sports Trophy in only their second year in the league.

Mr. Humphrey

COUNSELORS

MRS. VAN ARSDALE

MR. HOWARD

I have thoroughly enjoyed being a part of this first full year at Swan Valley High. I particularly like not hearing, "Yes, but we've always done it that way," and, at the same time, I have enjoyed the challenge of organizing systems so our schools run smoothly. Thank you all.

Mrs. VanArsdale

LIBRARY

MRS. NICHOLSON

"We have cubbyholes and books and rings
And labeled boxes for our things,
Shelves and drawers and filing cases,
Even a FEW EXTRA SPACES.
There's just one thing we seem to lack-
The knack of putting anything back!"

National Honor Society Advisor, Pep Club Advisor, Science Club Advisor

This was a good year for building the school. Some of the things "built" were the honor society, the science club, a graduating class, and the science program itself. I am glad that I was part of these, as I continually build my own career as a teacher.

ENGLISH
I think the most important part of English is reading. The gateways to the entire world are open to any student who reads.

EDUCATION
Learning can and should be fun, but it is what the student makes it depending upon his attitude

SPIRIT
We seem to have a very fun-loving student body with a lot of school spirit. It certainly is refreshing and makes our school an exciting place to be sometimes.

P. Burnside

MRS. BUTCHER

1973-74 is the year many have looked forward to and planned for a few years ago. It is the year when we have first been able to follow one class of students through the four years of high school to graduation.

It has been rewarding to watch these boys and girls grow into responsible men and women and feel you had a small part in their development.

Best of luck and good fortune to all our graduates of '74.

When I started teaching here, the district was so small it was called 4 Fractional--we went from Kindergarten to 8th grade and the 7th and 8th grades were taught in an old army barracks.

Now to see a beautiful new high school emerge from this small district-about to graduate its first senior class-leaves me unable to express my feelings in words. I sincerely hope our seniors realize the honor they carry with them on graduation day as the first senior class of Swan Valley.

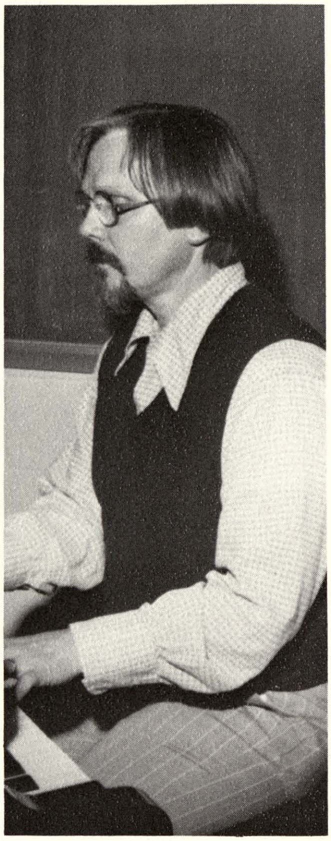
"What a difference a year makes!"

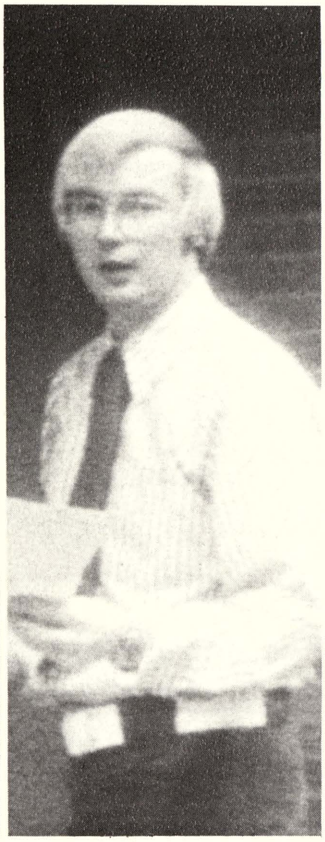
We were witnesses to emerging school pride' in every aspect of school life.

In athletics we found that good things come to those who are willing to do that something extra and playing together as a team offers the greatest chance for the championships.

This will be a special graduating class for me, as the senior football players and I have been together for three years, and they are more like sons than students to me. So they were the first, and there will always be a special place for them with me.

C. Koons





MRS. KOPPENHOFER

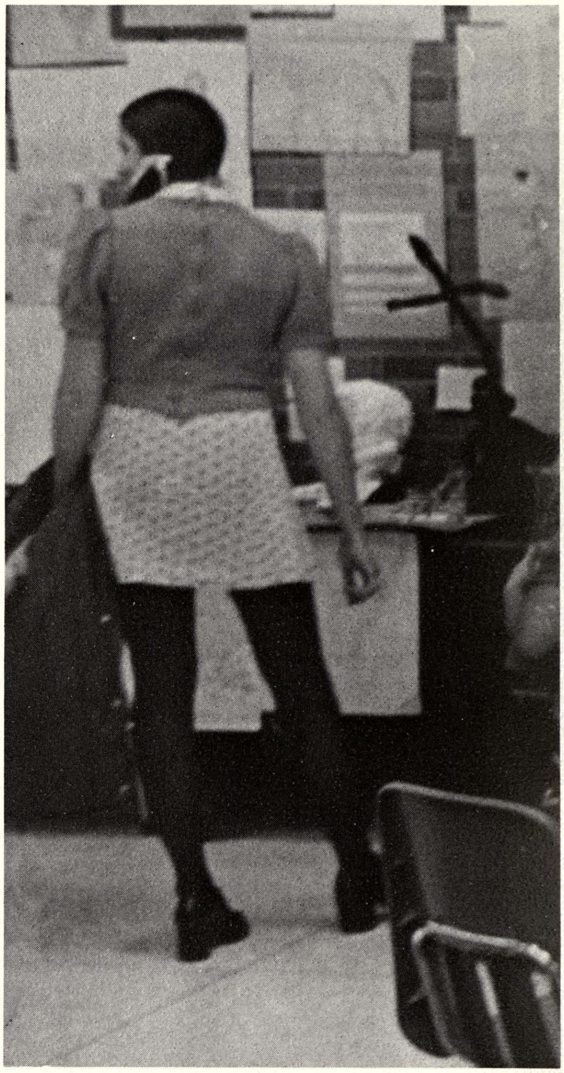
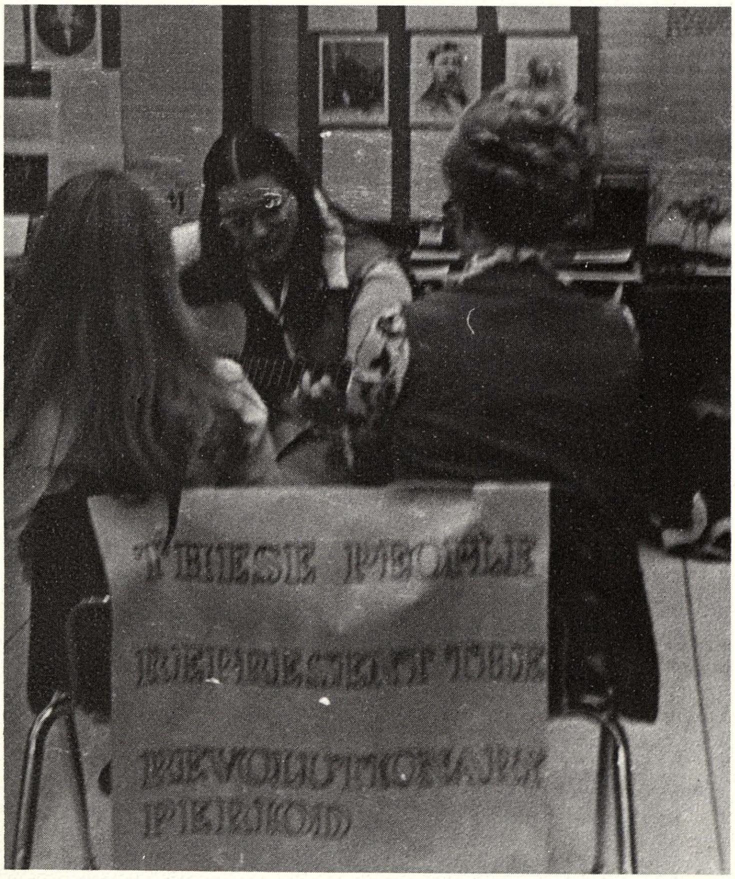
ENGLISH



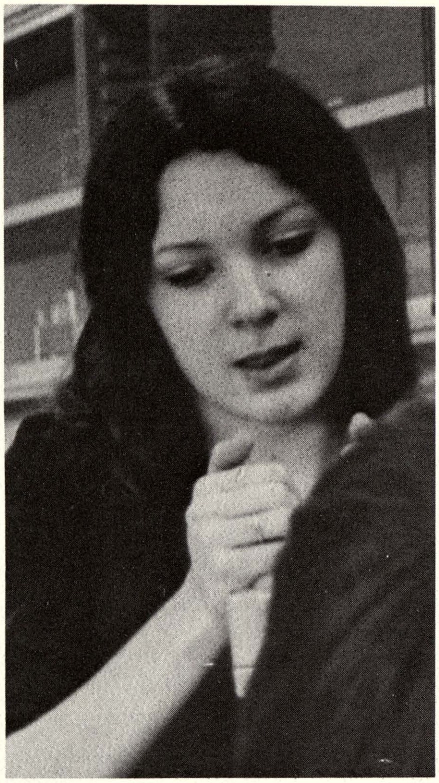


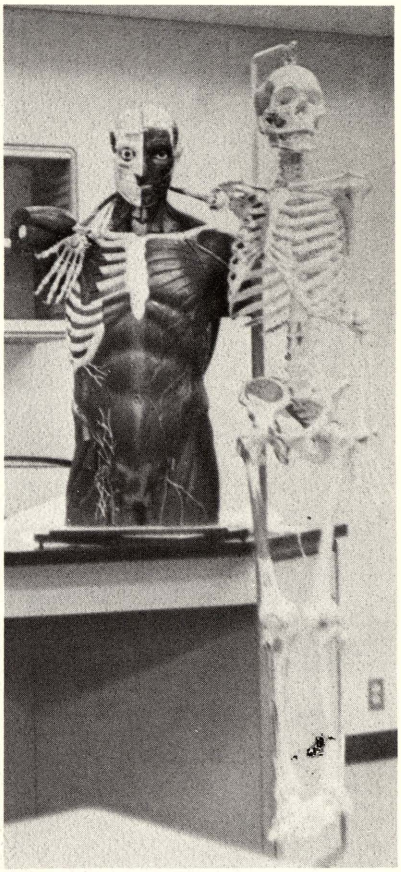
THESE PEOPLE
REPRESENT THE
REVOLUTIONARY
PERIOD

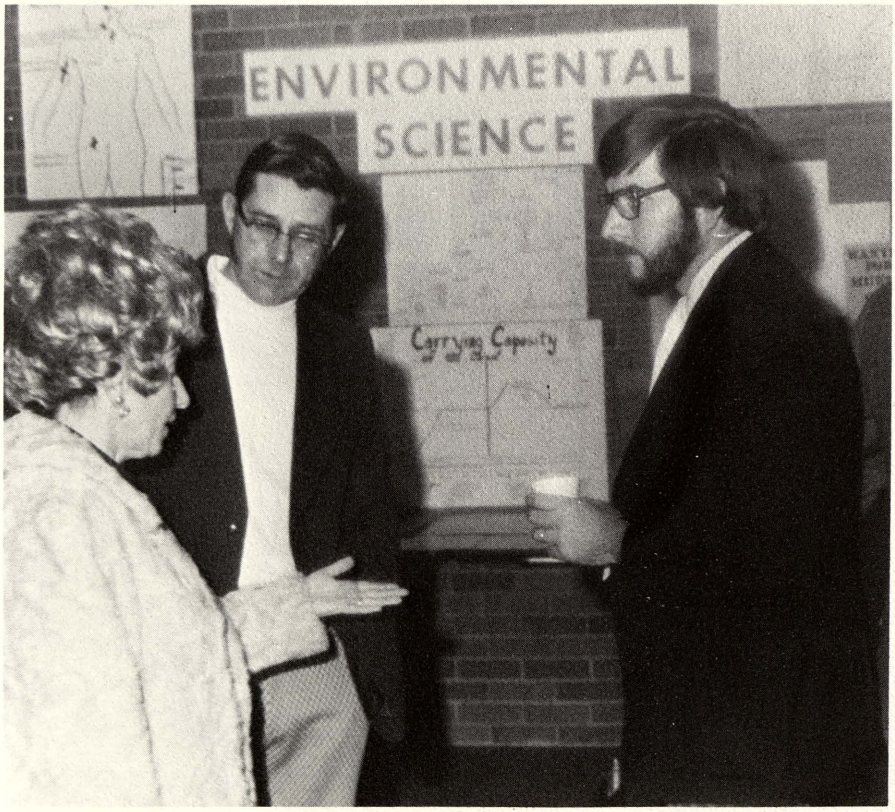
For Achievement Night, the English department set up displays showing the various courses offered.

Upper Left- K. Orwig, C. Lenk, J. Chirikas, L. Dilley, and P. Baker are dressed to represent some of the various periods in American Literature. Upper Right- A girl views one of the English displays. Lower Left- Does that sign mean that those teachers are from the Revolutionary period?

SCIENCE





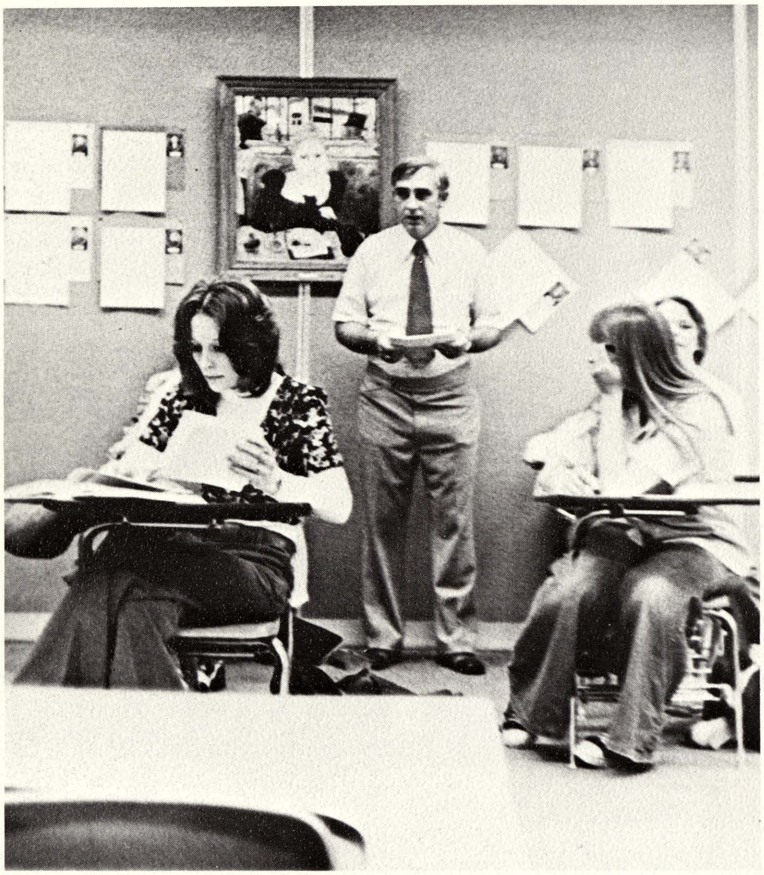


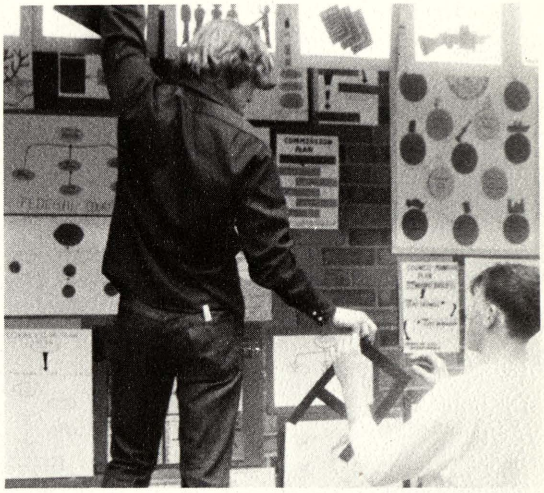
Science distinguishes a man of honour from one of those athletic brutes whom undeservedly we call heroes.

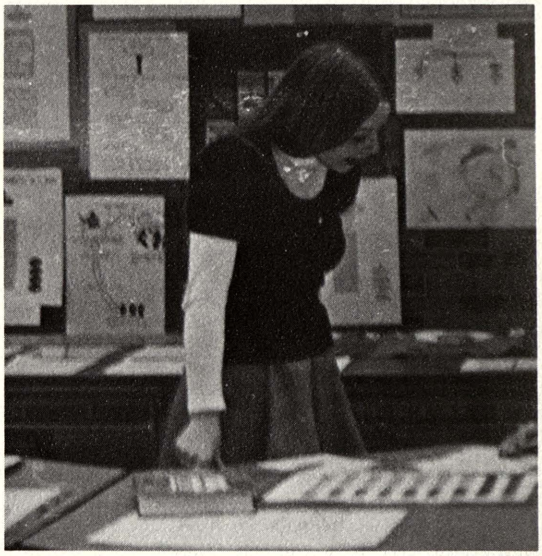
-Dryden

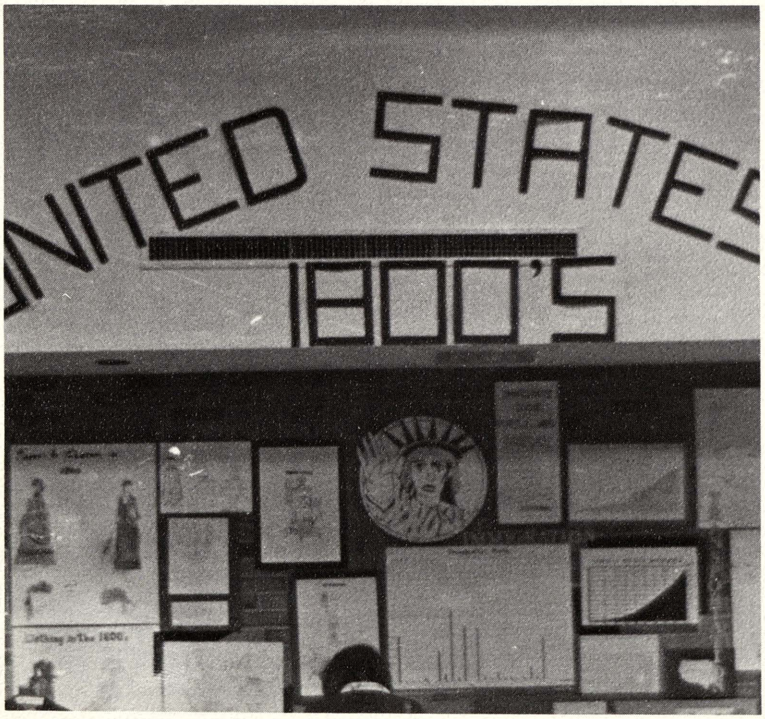
Upper Left- Mrs. Nassif demonstrates to L. Hall and S. Little how to dissect their crayfish. Upper Middle- Michelle Wyatt focuses her microscope. Upper Right- Two of our science teachers after the students were done with them. Lower Left- Mr. Debozy discusses his Environmental Science course with some parents.

SOCIAL SCIENCES









Man seeketh in society comfort, use, and protection.

Bacon

Upper Left-Mr. Wartenberg teaches a government class. Lower Left-A history display at Achievement Night. Upper Right-Some students setting up a display. Lower Right-L. Armstrong is looking over some of the displays.

MATHEMATICS

SPANISH CLUB

Destination Spain: This small but determined group engaged in a variety of money raising projects for two years. Some were successful while others provided little profit for the group. The goal established by the club was to raise enough money to provide spending money for the students on their trip to Spain. During the nine days spent in Spain, the group was exposed to a different culture. Their knowledge of the language was expanded while they were having a great time. We have the community to thank for their cooperation and interest in our project.

The Viking varsity compiled a fine 7-1 overall record and a 5-0 league record on its way to the school's first conference championship.

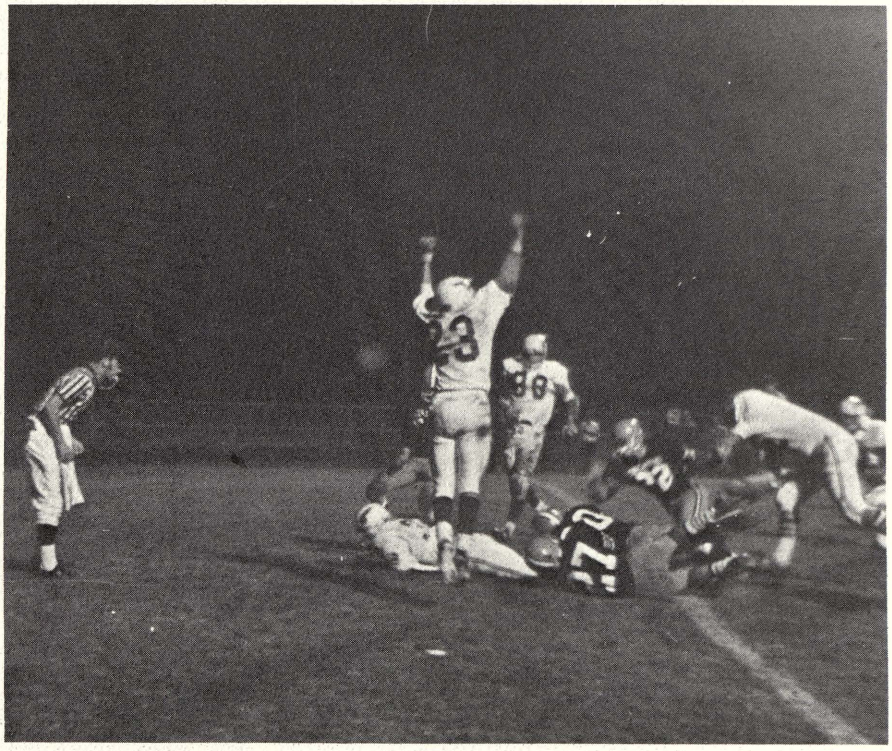
The only loss the Vikings suffered was a heart-breaking 14-7 loss to an undefeated Hemlock in the season finale.

The Vikings, thirteenth in the state, averaged over 19 points a game, while limiting their opponents to only an average of six, and no more than 14.

Individual efforts included--a 30-yard PAT kick by Skye Schneider; Bob Harding establishing a single game rushing record of 165 yards as he totaled 780 yards and 64 points; and Gary Dennison setting a record for the longest run from scrimmage as he went 95 yards for a touchdown.

The Viking offensive unit established a single game rushing record of 418 yards, and the goal line defense, the special unit for situations from within the 10-yard line, allowed only two touchdowns.

The team found out what a good feeling it is to be a winner, and plans on working even harder to establish a winning tradition next season.



Above: Quick on the call, Gary Dennison (23) persuades the on-looking ref. NEXT PAGE: Upper Left: Bob Harding (33) and Amos Hepinstall (62) cut off a long run. Coaches Comment: "The Swan Valley High School freshmen football team compiled a fine 7-1, won-lost record, finishing first in their initial year of Mid-Michigan "B" Conference competition.

The Viking Frosh were paced by a balanced scoring attack, accounting for 182 points, and a stiff defense allowing the opposition but 34 points.

Congratulations and best wishes for continued success are extended to both the players and the coaches.

Control & Precision

Coaches Comment: "The Vikings gave a good account of themselves on the links this year. Despite some disappointing losses, we finished with a 10-7 record, a ninth out of 20 teams in the regional, and fourth in the league.

Mitch Ellis and Mark Martin waged a duel for low average with Ellis edging Martin out. Phil Yockey followed closely but hit a mid-season slump which held him back.

The prospects for this coming year look pretty good with Ellis, Johnson, and Schuster coming back, along with some help from 3 or 4 sophomores up from the J.V. team.

Coaches Comment: "The Swan Valley cross country team finished sixth in its first year in the Mid-Michigan B Conference. Consisting of primarily freshmen and sophomores, the young squad compiled a season record of 3 and 11. Freshman Ted Thomas was voted Most Valuable Runner. Although the won-loss record was not impressive, the progress of the team was. We are setting our sights for the next season with much anticipation. As our runners become older and more experienced, we expect to improve our conference standing. Other than conference meets, the team participates in the Delta Invitational, Saginaw Track Club Marathon, Regional Meets, and competition with area schools outside the conference." W. A.

Teamwork Key to Season — Tesauro

VIKING VARSITY BASKETBALL

This year, the Viking Varsity basketball team started slow due to inexperience. But, the team worked hard all year, and it paid off during the second half of the season, as the team began to win.

Coach Ken Tesauro was quoted, "The team depended on each other and worked hard with both team defense and team offense. There were several outstanding individual performances throughout the year, but the team did not have to look to one particular player. This was the real key to the season."

Below-Gary Emeott, legs showing, blocks out a Freeland defender as Mark Brush, 52, takes a jump shot. Right-The Viking defense prepares to harass the on-coming opponents. Lack of Consistency Hurts

JV BASKETBALL

COACHES COMMENT: "Swan Valley's JV season was filled with excitement and a group of highs and lows. Our league record was eight wins and four losses, earning a second place finish. The team's lack of consistency under pressure hindered our chances for a better season.

The Varsity will be inheriting a couple of outstanding performers in Joe Kocks and Roger Schibelhut. Another consistent performer was Roger Wallaert, who won the Defensive Player of the Year Award. Jeff Taylor won the Most Improved Award and Roger Schibelhut won the Most Valuable Player Award with his clutch performance which included a perfect 14 for 14 shooting day against St. Stephen's.

Joe Kocks was the leading scorer with 341 points, another JV record. He also set records for the number of assists and deflections for one game. S.A.

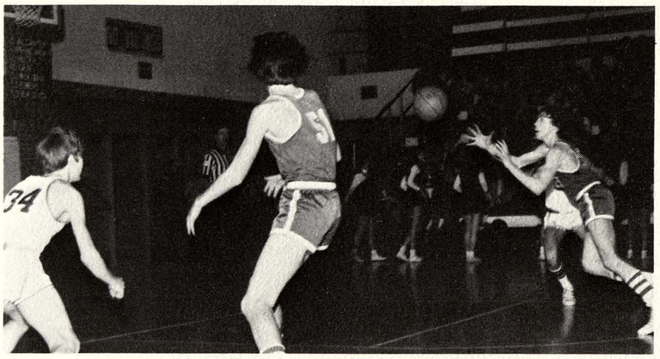
FRESHMAN BASKETBALL TOURNEY CHAMPS



COMMENT: "The Swan Valley freshman basketball team was extremely successful this season. Behind the defensive work of Todd Walker who led the team in steals and deflections, the tough rebounding by Jim Fricke, Matt Eddy, and Walker, and the offensive ability of leading scorers Jim Fricke and Derek Cook, the Vikings made a terrific show of themselves. Their 15-2 overall record included a 5-1 Mid-Michigan B League Record and a 3-0 tournament record. The "A" team finished off most of its opponents by more than 20 points. Throughout the season they played tough...a very determined group of players with poise and self-confidence.

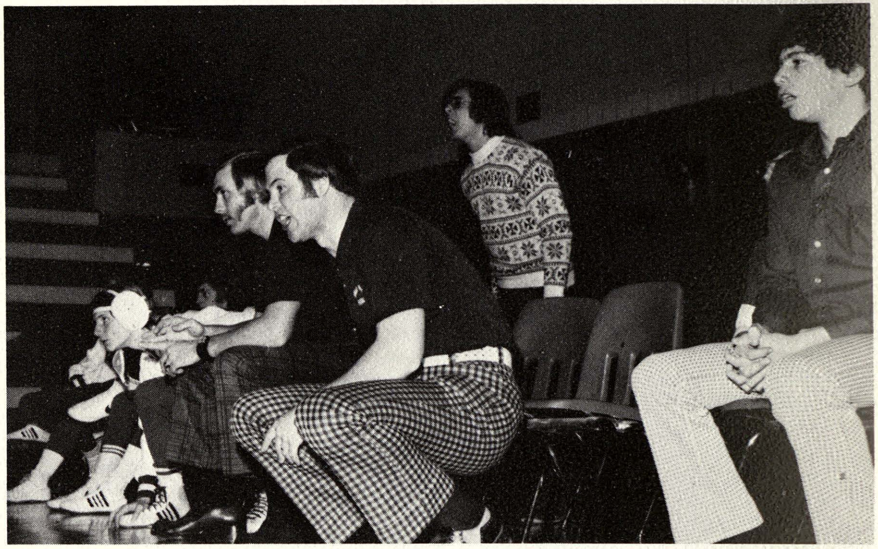
Pride And Will to Win

WRESTLING



COACHES COMMENT: "The wrestling team finished the season with a dual meet record of 4-11. However, five of those losses were by one match. The team is made up of mostly underclassmen. If they continue working and progressing, they will be among the best wrestlers in the area. The pride and the will to win are there; a honing of skills is all that is needed." T.K.

Coaches Comment: "It was our first year in the Mid-Michigan "B" Conference and the Vikings seem to play weather baseball, sometimes hot and sometimes cold. Baseball is a funny sport, you can win one day by a score of 10 to 2 and lose to the same team the next day.

Swan Valley seemed to start out good but began to fold at the end of the game. There were three games that were lost in the last inning and if they would have been won we would have been in the thick of the standings.

Playing ball in the Mid "B" has taught me things that I will be better prepared for in 1975.

I am losing six seniors and next year I will have to replace these people with underclassmen. I think we will have basically a young team. We may not burn up the league but we will hold our own. Watch out for 1976.

The players that are leaving are, Frank Smith, Tim Schrems, Tom Ballein, Gordon Guymer, Terry Talik and Amos Hepinstall. It may be hard to fill their shoes but I am sure that I will find someone for the job, because I have a lot of good talent coming up." M.N.

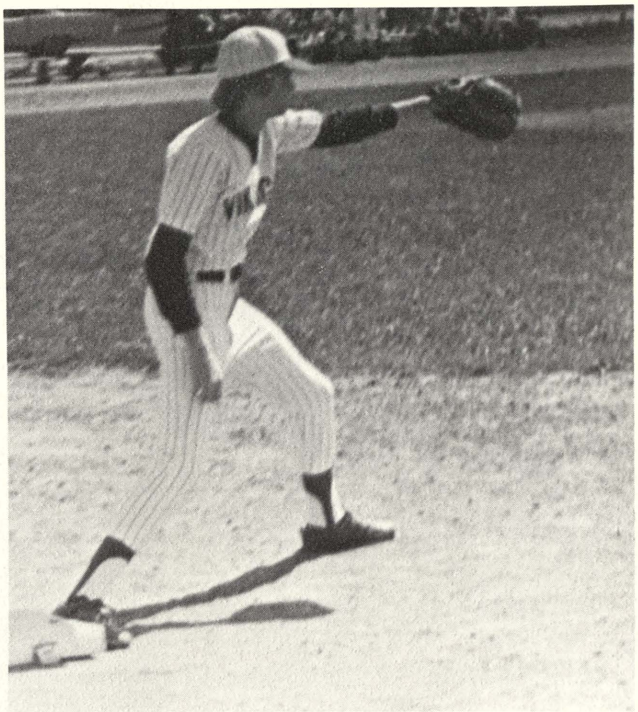
Mediocre Year

J.V. BASEBALL



"The J.V. baseball team finished the year with quite an even record, winning six and losing five. Randy Knight had the hottest bat, leading the little Vikings with a batting mark of .375, with Jeff Taylor (.367), Matt Eddy (.346), and Craig Oatten (.333) right behind. The team played a few games which many call reversed. They went into the last inning ahead, only to come out on the losing end of the final score. The team played some good teams and happened to win some games. They anxiously anticipate a good season for 1974-75."

GIRLS' TRACK

"The 1974 girls' track team found themselves forced with the challenge of putting a team together for the first time. Many new skills had to be learned. Hard training got underway with a considerable amount of dedication shown by all the team members.

During the course of the track season, many personal records were broken and new ones set. The rate of improvement has been so great that next year, we're sure, will be a better year as far as the teams win-loss record is concerned."

Vikings Place Third in League

SWAN VALLEY TRACKMEN

"In just our second year of track competition, we finished tied for third place in the Mid-Michigan B Conference. We were a very young team and were able to win many track meets on the strength of two relay teams. We expect next year to be even better, considering we will have about the same speed in our relays and sophomores and freshmen to take first place for us! In all, the team really can be proud of their accomplishments this season, for they did what was expected of them---their best!'

Coach Chuck Koons

In the final track meet of the league, the Vikings managed to take fourth place in overall competition, with the relay teams placing second. This enabled the team to have enough league points to tie for third in the league, behind first place Bullock Creek.

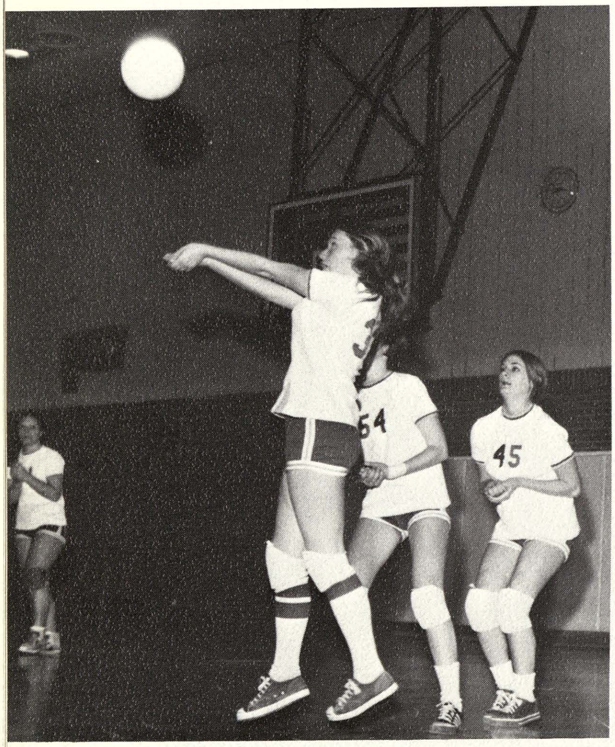
Women's Lib Strikes Again

VOLLEYBALL ARRIVES AT SVHS



Another one of the firsts in Viking lore is girls' volleyball. The first volleyball season was very rewarding for all who were involved. Coach Koppenhofer feels that competing in the newly-formed Mid-Michigan B Girls League was "a challenge to play our best."

In answering this challenge, the varsity tied for first place in the league, with the J.V. adding their share of victories, too. Two of the Vikings, Cathy Hanson and Cindy Zietz, were chosen for the all-conference team, with Sally Gardner receiving Honorable Mention.

With a good year this year, the team is anxiously awaiting next year.

THE FACULTY

This year, the Faculty participated in only one sport. . .basketball--and they only played one game, losing to St. Charles. Pictured below are snapshots of that game: TOP: The team, attired in their matched uniforms, warm-up before the game. Shown are, left to right, K. Tesauro, M. Hoewe, W. Adams, R. Perry, and W. Guilford. Missing are T. Kennelly, C. Koons, R. Miner, and S. Musial. LEFT: Rich Perry goes up for a jump ball before a large hometown crowd. RIGHT: Chuck Koons concentrates on the unpictured objective. . .the basket.

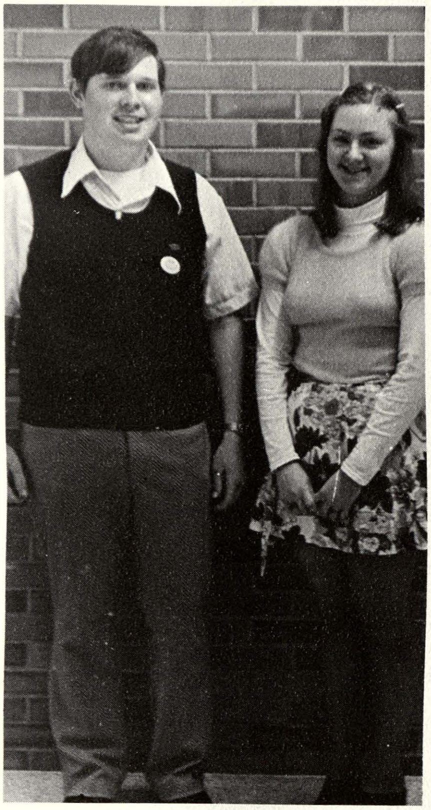
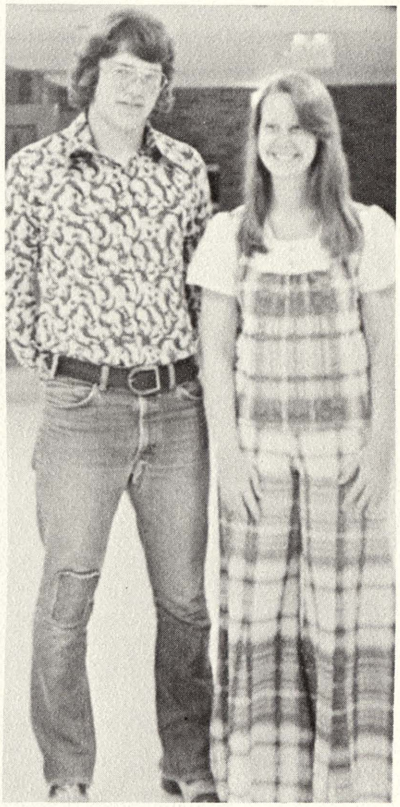
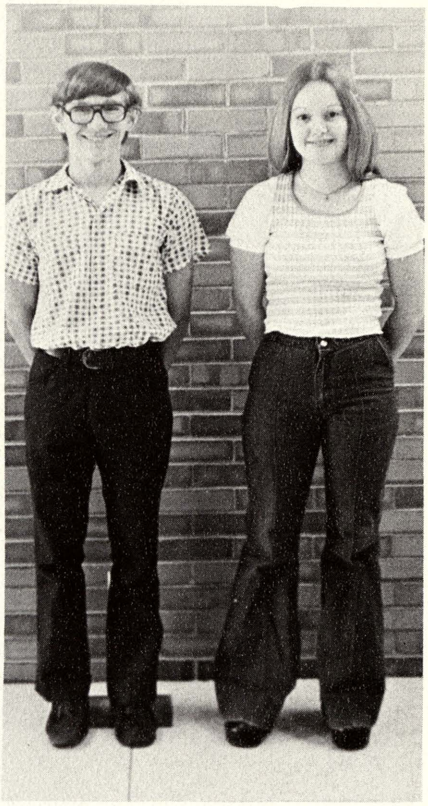
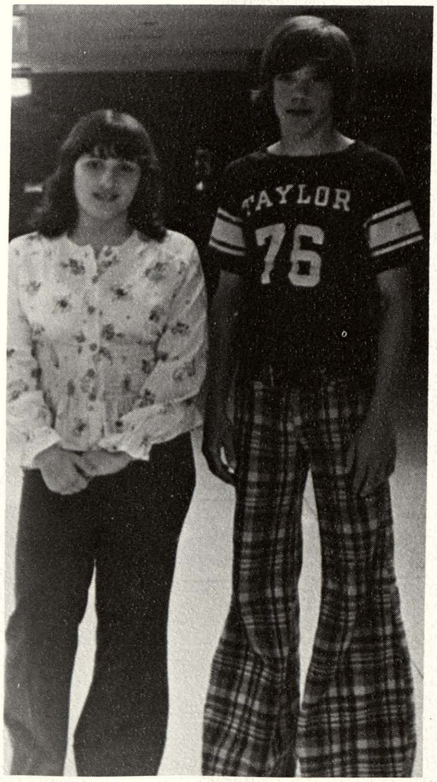
AWARDS NIGHT







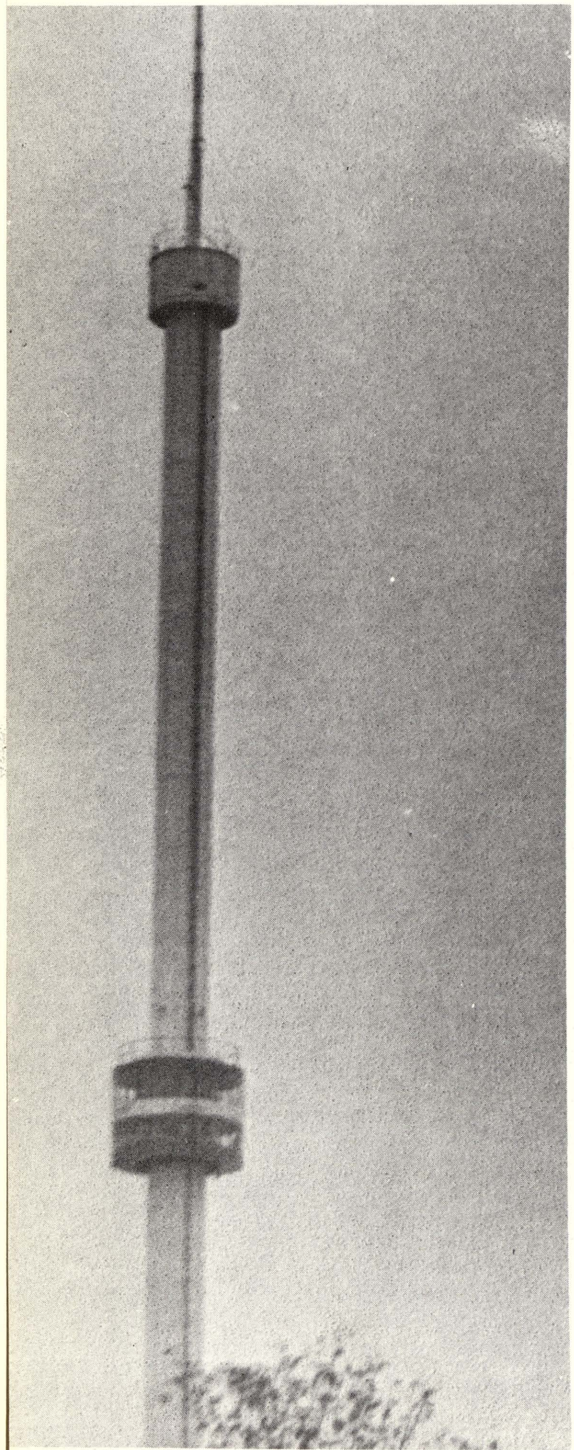


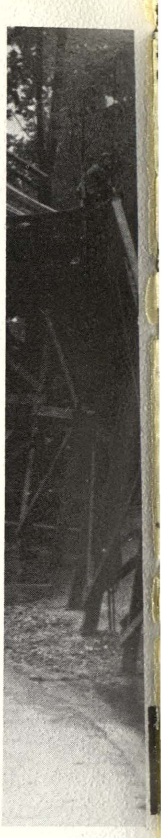
This year Swan Valley had an Awards Night to honor the outstanding achievements of its students. Various awards were given for class officers, honor roll, National Honor Society, Homecoming Queen and court, all academic areas, foreign exchange students, music, library, yearbook, attendance, Civitan Club, office aids, and outstanding students. Pictured are the outstanding students, one boy and one girl from each grade.

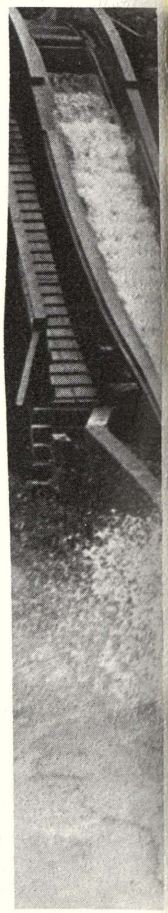
Upper Left-The seniors chosen were D. Benkert and S. Leaman. Upper Middle-The juniors chosen were J. Wilson and S. Kluck. Upper Right-The sophomores chosen were K. Webster and L. Armstrong. Lower Left-The freshmen chosen were L. Freier and D. Cook.

Senior Trip:

CEDAR POINT







Cloudy weather and fun prevailed when the seniors went to Cedar Point.

Despite the early departure time (4:30 a.m.), and the late return (3:00 a.m.), everyone managed to survive and have a good time.

CLASS OF 74

Well, here we are at last,
Swan Valley's first Adult Graduating class.
Although there's been some ten or twenty long years slipped by;
We've finally achieved our goal so high.
With more awareness, knowledge and wisdom received,
We're out to profile our lives.
We'll remember our classmates' smiles so dear;
All the teachers thoughtfulness thru the year.
The friendships we've made so deep and true.
Patience, faith and trust, too.
Whatever future years may hold
One thing will still be true--
Lifes greatest gift will always be,
To have shared these months with you.
Remember well and bear in mind;
A friendship is hard to find;
When you find one kind and true;
Never change the old for a new.
As a classmate true, I hold these three special wishes for you,
The first for a day, that brings lots of laughter and gladness your way.
The second for happiness all year for you.
And the third, that your life's wishes will always come true.

Rate a better job, and have something going for you on the side.

If you've looked around you know that to get a good job you need specialized training. That can be expensive. But not with us. We'll give you training for a skilled position that will set you apart from thousands of other job hunters. And, while you're learning, we'll even pay your living expenses—plus $326.00 a month! After four months, you'll be prepared for a good job. On the side, you'll get at least 46 dollars a month for working a weekend a month plus a fifteen day tour in the summer. We're the Air Force Reserve, and to take advantage of our program you don't do a hitch first. Just the practical full-time job training school. We have a lot more good things to offer.

For all the details, just phone. Collect.

As co-editors of this yearbook, Kathy and I want to take this opportunity to thank the yearbook staff and Mrs. Stearns for all of the time and effort they put into this yearbook. Without the help of this dedicated crew, this yearbook would never have made it to the press.

A special thanks to Mrs. Stearns for her support, dedication, and pizza, which she provided for our staff.

And, last but no least, the whole staff thanks Warren Wyatt for taking the cover picture.
